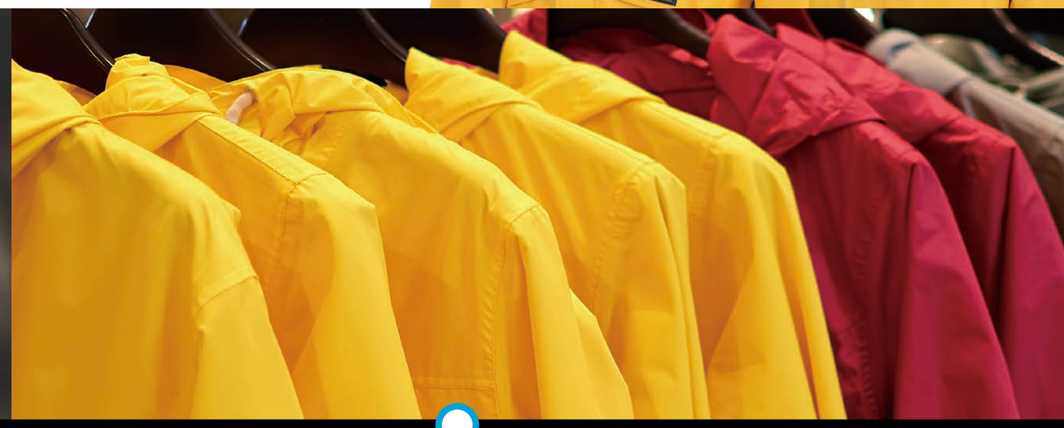
History

Korean Rainwear History, Together with JEBI WaterProof Technology

JEBI Rainwear debut in 1973, it has been playing a leading role in Korea and International for waterproof industry. JEBI Rainwear, we are always with people's love in the history of Korea, and we are the history itself of Korean rainwear created with long experience, technology, and especially trust.



Foundation

1973
JEBI Rainwear Brand Name

JEBI, Fortune and Good Luck.JEBI is a bird which Korean ancestors have believed as auspicious. Rain is the source of nature in Korean aqricultral society, and JEBI brings the richness and vitality of the season along with the rain. The name of JEBI Rainwear is born wishing for bring good wishes to people.

1973, the era of rapid growth from agricultral society, JEBI Rainwear has a position as a Brand in Waterproof products, and it has become very popular and JEBI Rainwear is necessary material to Agricultral society and Rapid developing Industrial society.

Take-off

1980~90
Stacking up the Cornerstone The History of Korean Rainwear korean

As industrialization begin in earnest, people are finding rainwear in many places. JEBI Rainwear, as a leader in the rainwear industry, Brand JEBI is recognized for its advanced technology and excellent quality, and it become possible to find Brand JEBI Rainwear in each Korea's industrial site.

JEBI Rainwear has been recognized as a perfect waterproof rainwear of Korea, and we are invited to receive appreciation plaques from various industries and heavy industries in recognition of high qualified waterproof rainwear's contribution to improving work efficiency. Finally, JEBI Rainwear becomes as registered the 1st Rainwear in Korea.

Advancement

2000
The Leap of JEBI Rainwear

As Korean Shipbuilders dominate the world shipbuilding market and various outdoor markets continue to grow rapidly, outdoor sports and domestic industrial markets began to grow day by day.

Rresponding this trend swiftly, JEBI Rainwear has been developing advanced materials for outdoor and leisure activities and launching related products to global clients.

we are supplying industrial waterproof special clothing to related markets such as 100 leading companies, including top 3 global shipbuilding companies such as Samsung Heavy Industries, Hyundai Heavy Industries. and Daewoo Shipbuilding.

Vision

~2030
JEBI Rainwear, a Total Brand Specializing in the waterproof

JEBI Rainwear, we have invested Research and Development for the functionality of the rainwear. We will stand out from functional waterproof indsutry by stepping up as a total waterproof brand.

Making History of Rainwear one step ahead, the best technology and quality are the **pride of JEBI Rainwear.**

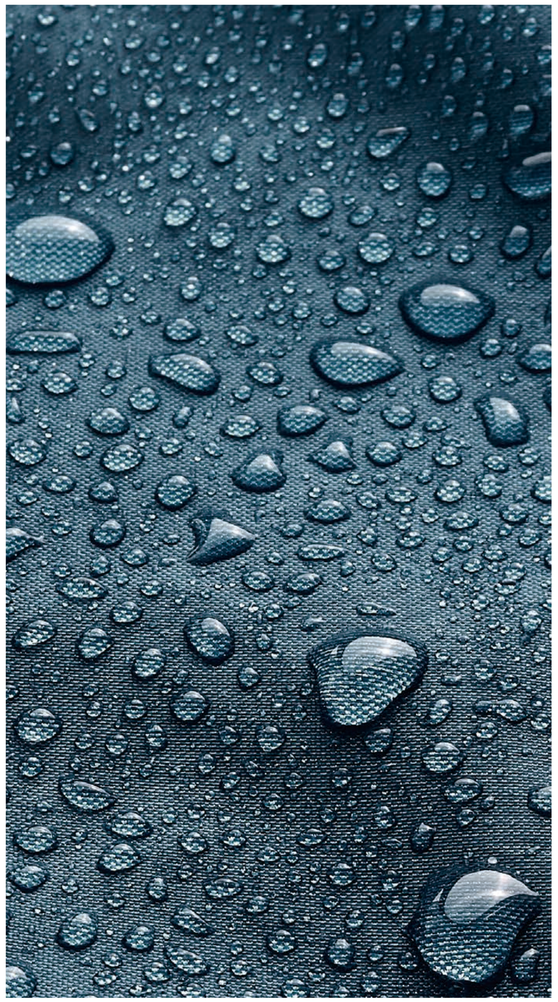
New development of rainwear fabric material,

JEBI R&D and Engineers always consider people's life in the rain with cutting-edge technology.

JEBI High Functional Advanced Material

Developed Materials of JEBI Rainwear

- The 1st Shape Memory mateiral in lining mesh
- Sterilization function above 95% against 80 kinds of harmful inhabitation bacteria that can live rainwear
- 24 hours continuous waterproof function against heavy rain with hydrostatic pressure over 10,000mmg
- Optimized Marine waterproof suit technology for ultraviolet rays and salt



UV-ZERO

Body protection by blocking 99.7% of harmful UV rays

Arachnen

Excellent waterproofness,
air circulation functional material

S-TEX

Excellent durability,
shape-keeping functional mesh material

Sterina

Functional material that sterilizes about 80 kinds of harmful bacteria in the living environment

CARBONATECH

- Light and durable
- Anti-pollution and chemical stability with advanced carbon coating

3M Scotchlite

Highest-grade high-brightness
reflective strip material
